ABOUT KENYA

Recently a huge source of water was discovered at Turkana in Northern Kenyan region which is in arid area. Turkana has been the hottest, driest and poorest region in Kenya that is hit by drought every year. According to the Government, the discovered water can be used by the whole country for 70 years.

Kenyan President Uhuru Kenyatta and his Deputy William Ruto has been accused of being main facilitators of post election violence in 2007. Deputy president case is going on at International criminal court at Hague in Netherlands while presidents case will be heard in November 2013.

Family Development Program

Mama Stephen Njuguna is one of many beneficiaries of this program that was started to empower the needy community in the area. The Program gives

them an opportunity to save as little as 0.5 dollars in a week and later borrow this amount as loan.

Before they are given loans, they go through training sessions to gain basic skills on how to start and manage small businesses.

October visit

John and Julie Schmidt will be visiting VICODEC in October 2013. If you have any gift for your sponsored child, contact Julie Schmidt or Jennifer

Meet the family of Mama Silary

It is a family that for a long has been living in abject poverty. After separation of the parents, the mother was left with the responsibility of her six children. She could not afford to pay school fees or buy enough food for the family.

The children would spend most of their nights hungry and sleeping on tatters of clothes.

After VICODEC's intervention, Silary and Tekra got sponsorship, this was the Family's turning point. The children goes to school comfortably, without fear of being sent back home, through Extra gift amount sent regularly by their sponsor, the family was able to buy a bed and beddings and they no longer sleep on tatters.

A NEEDY CHILD

This is Faith Emily Atieno

aged three years. She is in baby class at VICODEC School. She has five siblings, all in school. Her mother do volunteer work at VICODEC to compensate with school fees, for her children to remain in school. If you would like to sponsor Faith, use the contacts below for more information.

Meet Wonderful team players,

They are some of VICODEC School teachers in primary section from grade 1-5
